### **Objective**

Entry-level position in the field of computer networking, particular interest in network hardware and implementation.

### **Employment History**

#### **Guest Services Representative**

Sleep Inn, London, KY 40741

*July 2007 – Present*

Providing customer service for sixty-four rooms. Including, but not limited to, answering questions, taking payments, making and canceling reservations, making the daily continental breakfast, and taking phone calls from potential guests.

#### **Data Entry Typist**

SourceCorp, London, KY 40741

*June 2006 – August 2006*

Studied information, such as names, dates, and account numbers, from sensitive financial and medical documents and keyed that information into the company's computer system.

#### **Starting Line Operator**

London Dragway, London, KY 40741

*March 2005 – November 2005*

Controlling when each driver began his or her burnout and run on the track. Watched for any spills or debris that could cause an accident for the next drivers.

#### **Track Staff**

London Dragway, London, KY 40741

*March 2003 – November 2004*

Ensured that the drivers had a clean and appropriate place to do their burnouts and watched and cared for any spills or debris behind the starting line.

### **Education**

#### **Bachelor of Computer Electronic Networking**

Eastern Kentucky University, Richmond, KY 40475

Anticipated Graduation: December 2008

#### **Associate of Technology Option in Computer Electronics**

Eastern Kentucky University, Richmond, KY 40475

Anticipated Graduation: December 2008
