## ▶ Wesley S. Turner

**P.O. Box 454 McDowell, KY 41647**

**Phone: 606-791-1803**

**E-mail: w.turner19@yahoo.com**

### **Objective**

To find a position as a Computer/Network Technician in a public school system.

### **Education**

(2005-2009)

**Bachelor of Science Degree – Eastern Kentucky University**

**Associates Degree – Eastern Kentucky University**

- ▶ Bachelor of Science Degree in Computer Electronic Networking
- ▶ Associates Degree in Information Technology with emphasis in Computer Networking.

(2004-2005)

**Studied to complete Associates Degree – Big Sandy KCTCS**

### **Experience**

C.E.N Co-Op Position (2008 – present)

McDowell Elementary School (McDowell, KY)

- ▶ During this time I set up/updated school web page, done the basic network set, and troubleshooting computer software and hardware.

Substitute Teacher (2006 – 2008)

Floyd County B.O.E (Prestonsburg, KY)

- ▶ As a substitute teacher I taught various subjects and dealt with many types of people. I think that this insight will greatly help my career as a Network Technician in a public school system.

Student Computer Technician (2000 – 2004)

South Floyd High School (282 Mt. Raider Drive, Hi Hat KY.)

- ▶ Assisted all faculty and staff with their computer problems whether it was hardware or software issues.

## **Interests**

- ▶ To continually improve my skill as a Computer/Network Technician and with my experiences I am learning new things everyday that will enhance my abilities to do my job well.
