

Personal Logo

Assignment #2

Each student is to create a personal logo. The logo will be used in other assignments including the Stationery Assignment. The logo is to be created in Adobe Illustrator and have the .ai file extension. Use a maximum of two colors; single color is acceptable. The logo is to be created with Bézier curves and can be type, symbols, lines or curves. There are to be at least four separate Bézier objects. The objects should include curves. The logo is to be well designed and appropriate for the student. It is recommended, though not required, that the student use their initials.

To submit your assignment for grading:

Name the Illustrator file with you last name followed by a 2, as in marchant2.ai

File > Save As > appletree > gcgroups > GCM 217 > 2DropBox > Save > OK

Note: You will not be able to see your file in the drop box but it will be there.
